Kris,

Tuesday 5/26 at 2:00 works.

Field staff evaluating "virtual inspections". There are DEP agency questions/guidance to evaluate, but we also need to know what EPA's position is on this - what is acceptable to EPA for inspections to constitute an FCE.

Braskem is within their permit limits.

Have a great weekend!

Susan

Hi Susan,

My schedule is a little out of control the next two weeks, we can find a time, but can you send me some of your questions and it will give me a chance to see if I can answer them and we can have a more productive conversation?

I'm not available tomorrow and I'm out of the office on Friday.

I could do 2pm on Tuesday 5/26
3pm on Wed 5/27
11am on Fri 5/29

Do any of those times work?

Thanks
Kris

Chris,

Do you have a few minutes to talk tomorrow morning or Friday morning? I have questions about virtual inspections.

Thanks,

Susan
